Treasurers Report for 2008

The accounts for 2008 are available for scrutiny on the web site along with all the documents for the 2008 Annual General Meeting.

I would like to comment as follows, our cash position did go up in 2008, this was due to the funds remaining from the demise of the UUA in Europe being transferred to the CUU (£14,273,) in addition we received £5828 from subscriptions. After deducting our operating expenses of £16790 we were left with a cash balance of £58,018 at year end compared with £54,408 at end 2007.

I recommend that the accounts as submitted and available for viewing on the CUU web site are accepted.

George Maxted
Treasurer
CUU
July 2009
